

# **The Apex**

**a publication of  
The Bluegrass Beemers  
inc.**

Hey gang, sorry it took so long to get this together, but as most of you know I've been incapacitated for a while with heart surgery. Recovering fine now, and bored to death. Cant work or ride, bummer. I should be back to full swing by late spring though.

Our 2005 Rally turned out to be a disappointment. We only had about 76 in attendance total, so we lost money this year. The rally fund is now in the hole to the tune of about \$75.00. Some of the members have been kicking in a few extra bucks on their 2006 dues to help repay this debt.

The 2006 dues are now due. They are still \$12.00 for the year. We currently have 16 paid members for 2006, and hopefully we will have many more. There isn't really a cut off date for the dues. Just when you can think of it, drop me a check, payable to Bluegrass Beemers, or cash if you have it.

I really don't have much for this issue of the Apex, but I've got some great rally pix and some from members that I'll include here. Please feel free to send me any pictures and stories you would like to have published here.

## Loosing A Dealership:

For anyone who hasn't already heard, the BMW of the Tristate, in Cincinnati, has closed their doors. There is much rumor and speculation on what caused this, but it really doesn't matter the cause, we've lost a good friend and dealership. I've heard talk and rumor about replacement dealerships and all, but I think I'll wait till something actually happens to say anything. We wish Bill and his family and employees all the best and hope they know how much they will be missed.

## Happy Birthday:

### December:

Ron Blackburn  
Hubert Burton  
Paul Rice  
Alan Myers

### January:

Ron Atkins  
Mike Gill  
Mark Rense  
Randy Scott  
Jay Smythe  
Stan Horsley  
Steve Little

**2006 Officers:**

The officers for 2006 were installed at the Awards Banquet at Lonestar Restaurant.

President: Eddie Layton

Vice President: Alan Myers

Secretary: Boone Sutherland

Treasurer: Roy Rowlett

We are looking forward to another great year of riding and comradship. If anyone has any suggestions for activities for the club, please feel free to send them along to any of the officers. We could use some organized rides for the members as well as maybe an event or two, maybe a poker run or something.
